INTRODUCTION

Skysoft Infotek India Pvt. Ltd. started her journey in the year 2014 as a small firm Skysoft Infotek from Delhi and gradually become a company in the year 2015. Believing in work ethics and providing best services to the client today we have spread our business in Pan India. From software to hardware and also in telecommunication we are the best in the industry to trust. We are also spreading our arms in the field of E Commerce in the name Shoppebox.Com a hyper local search engine and online shopping platform. We are also in Hospitality Business in Noida & Kolkata.

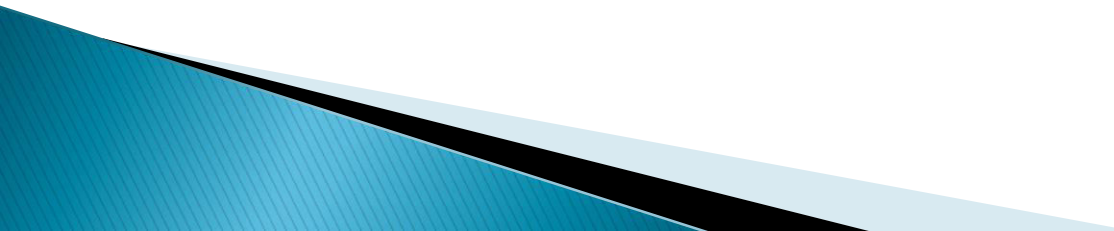

We can handle and execute any type of work that suit our business module and provide the service to our clientele without a single thought.

VISION

To achieve excellent partnership with our clients by providing Strategic Solutions. We deliver solutions quickly and cost effectively into any kind of complex environment.

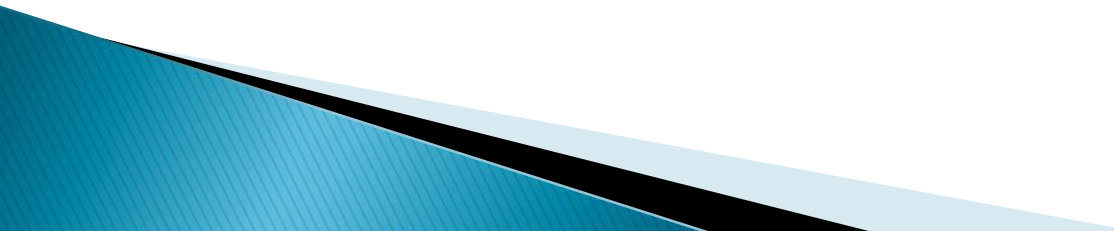

MISSION

To be the best in the industry by delivering the best possible services and giving high end reliability to the customers. To be the best and continue to be the best is the one and only mission we have.
